Property management companies and multi-location taxpayers must provide a listing, referred to as Supplemental Schedule A, with the tourist tax return. You must notify the transient rental dept. in writing, on your letterhead, when you terminate management of a property. You must also notify the transient rental dept. in writing, by tourist tax application, when you begin management of a property. Property management companies also have the option to report under one account (umbrella /multi location account). This type of reporting also requires an application, and a five dollar fee for the umbrella account and each rental unit.

The payment of the 6% tourist tax must be made with checks or money orders drawn on a **United States Bank**, made payable in **U.S. funds**. Payment of the 6% Tourist Development Tax must be postmarked by the 20th of each month due to avoid penalties. If changing management company or mailing address, remember to notify the Tourist Tax Department in writing by completing a new application with the updated information. Please notify us in a timely manner so we may send return forms to the proper person, and late penalties can be avoided.

Should you have any questions regarding the 6% Tourist Development Tax, please contact the Tax Collector's Tourist Tax Department, phone 407-742-4000.
